

Digital Pet Portrait Commission Information

Celebrate the love of your pet with a custom digital portrait! ~ MysticCreations123@gmail.com

Starting at \$100 CAD / \$80 USD - \$300 CAD / \$240 USD (based on level of detail.)

The artwork itself

- 1 or more clear reference photos are required from the client. The more the better!
- I require 1 month to complete each portrait. I often finish sooner.
- The finished product is not meant to look like a photograph, it will be done in my art style.
- This will be a digital sketch/painting. There is no physical copy unless a print is made.

My service includes

- 1, high-resolution digital sketch of a single pet portrait. (For non-commercial use only) emailed to the client upon completion.
- Regular updates on the progress of the artwork's creation. I have lots of positive feedback from my clients saying how they all loved seeing, and being a part of the creation process.
- 2 revisions during the sketch phase and 1 revision during the colouring phase. Additional changes may cost extra.
- Art Release form. To be used as proof of permission to allow a client to create prints, enlargements, place the image/s on products such as mugs, canvases etc. The client may do all the above at home or by use of a photo lab.

Content ownership and sharing

- I retain full rights to all of my created content. This includes, but is not limited to – displaying the artwork on my various online portfolios, showing my work to potential clients, both online and in-person, and the use of the art in my advertisements.
- I ask that I may show/post the commissioned work in its various stages with the reference photos. Please let me know in advance if you would like your photos not shared alongside my artwork. If I share your reference photos, I will always crop out any humans shown in them. You retain full rights to your reference photos.
- Please let me know in advance if I should hold off posting the artwork in any of its stages of completion until it has been received/gifted.
- I usually post a 'thank you message' online naming the commissioner. Please let me know if you would like to be anonymous, or have a different name shown.

Payment

- A non-refundable down deposit of half the total price is required to start work. The remainder will be paid upon completion of the finished artwork, before being sent without a watermark.
- I accept cash, E-transfers, and PayPal. Unfortunately, I have to charge an additional \$5 to cover PayPal's expenses.

Art Prints I would be happy to make a glossy page-size print (8.5"x11") of the finished artwork for **\$15 CAD / \$13 USD**. If shipping is required, I will need your shipping information to get you a shipping and handling quote.

The greatest compliment my clients can give is the referral of their friends and loved ones!
